Numbering Issues

1. What is OneStar's expected demand for NXXs per NPA within a year of approval of its application?

OneStar does not anticipate utilizing NXXs within the first year of its approval, as it will use the unbundled network element platform.

2. How many NXXs do you estimate that you will request from NANPA when you establish your service footprint?

OneStar does not anticipate utilizing NXXs, as it will use the unbundled network element platform.

3. When and in what NPA do you expect to establish your service footprint?

OneStar plans to establish its initial service footprint in the BellSouth region.

4. Will OneStar sequentially assign telephone numbers within NXXs?

OneStar does not plan to assign telephone numbers at this time. However, should it begin doing so, OneStar will follow all industry guidelines, as well as applicable state and federal regulations.

5. What measures does OneStar intend to take to conserve Tennessee numbering resources?

OneStar does not plan to assign telephone numbers at this time. However, should it begin doing so, OneStar will follow all industry guidelines, as well as applicable state and federal regulations.

Docket No. 02-01159, Data Request

6. When ordering new NXXs for growth, what percentage fill of an existing NXX does OneStar utilize to determine when a request for a new NXX will be initiated?

Because OneStar's current business practices and service provision methodology do not require it to make such considerations, it currently does not have an applicable policy in place.

Tennessee-Specific Operational Issues

1. How does OneStar intend to comply with TCA §65-21-114? In its description, please explain technically how OneStar will not bill for countywide calls within Tennessee.

OneStar has a programming mechanism within its billing system that will allow it to remain compliant with TCA §65-21-114.

2. Is OneStar aware of the Local Calling areas provided by the Incumbent Local Exchange Carriers in its proposed service areas?

Yes.

3. Explain the procedures that will be implemented to assure that OneStar's customers will not be billed long distance charges for calls within the metro calling areas.

OneStar has a programming mechanism within its billing system that will allow it to prevent metro calling area calls to be billed as long distance.

4. Please provide the name and telephone number of an employee with OneStar who will be responsible to work with the TRA on resolving customer complaints.

Staci Market, Compliance and Complaints Specialist.
(812) 437-7792

5. Does OneStar intend to telemarket its services in Tennessee? If yes, is OneStar aware of the telemarketing statutes and regulations found in TCA §65-4-401 et seq. and TRA Rules 1220-4-11?

OneStar does intend to telemarket its services in Tennessee. OneStar is familiar with all applicable statutes, regulations, and rules.
